Customer Reviews

“

This Boris FX tutorial is a user-friendly course. I am using Vegas Pro Program as my primary software to edit videos. But i was not aware of the Boris Continuum Complete Visual Effects suite and I wanted to study them. I came across this training and my most of the problem was solved with this course. I would definitely recommend this course to all the video editors using Vegas Pro and other Non-linear Editing Software.

Claire

”

With this Boris FX tutorial I can proudly say that i got to learn the entire suite of effects and Transition using Boris Continuum Complete and i now can manually tweak them inside the Vegas Pro Editing Platform.

Robert

”

I am glad that i came across this course. It is because of this training that i got to create and learn various visual effects in Vegas Pro and now i am proudly working as a 3D animator in one of the top MNCs.
