Customer Reviews

“

I was looking for a good Adobe Illustrator course to learn vector graphics in order to get a job in a printing solutions company, and with eduCBA's course for Adobe Illustrator, I was able to learn the necessary skills to get this job. Thank you so much eduCBA.

Josephine

”

I already knew how to work with pixel-based graphics, but wanted to add vector graphics to my portfolio, and get into comic book art. This was the perfect Illustrator certification course for me, teaching vector graphics fundamentals and basics of Adobe Illustrator in detail, as well as teaching industry standard techniques for application of Adobe Illustrator in creating cartoons. eduCBA's technical support was also great, making my experience top notch. Thank you.
