“

The information was simple and structured. I enjoyed learning from the videos and I am also preparing for the exam at the same time. It has been a fun ride so far.

Shane McFarland

”

The course is good for beginners to know more about business analysis. It's pretty much a simple introduction to the subject. To really help them prepare for CCBA course further, they have to look for other resources as well as courses. Nonetheless, thank you to the trainer for putting this course up.
